

CRAIG STRONG

The Village of West Haverstraw and Friends of Craig Caliciotti are sponsoring a 5k Walk/Run for CRAIG CALICIOTTI at Pecks Pond, 8:30 am on Sat., November 24, 2018.

Craig was diagnosed with Large B Cell Lymphoma in October 2017, Craig achieved remission in February 2018. Five short months later, not only did his cancer return, he also developed an extremely rare condition called Neurolymphomatosis. This is where the cancer infiltrates into the central nervous system and the peripheral or cranial nerves. Craig must now receive extensive chemotherapy in order to be able to undergo a bone marrow transplant. Craig is a true warrior. Throughout the past few months he has endured tremendous pain and yet his infectious smile continues to shine through. His strength, courage, and perseverance are greatly admired. Craig has been out of work for eight months within the past year and will be out for another whole year after he receives the bone marrow transplant.

This event will be held to raise money in order to help The Calciotti Family off set some of the financial responsibilities which they have most recently encountered. If you would like to sponsor the Walk/Run your business name will be printed on the back of a T-shirt which will be distributed for the Run/Walk. The cost of sponsorship is \$100 payable to Craig Caliciotti. Thank you for your kind and generous donation.

Please note company names for all sponsors will be included on tshirt. Vector Art must be provided if you want your logo to appear. Vector Art (eps file) must be sent to: propointltd.com.
